

# Abide the Day

Resolutely ♩ = 60-78

1. When - ev - er clouds of dark-ness press, Thy light, O Lord, yet pier - ces all.  
2. When in a dim, un - cer - tain hour We know not what to - mor - row brings,  
3. When - ev - er heav - y bur - dens wear, We meek - ly bear all for Thy sake.

5  
If love wax cold or sin op - press, In Thee we shall not fail nor fall.  
Yet we will trust Thy match-less pow'r To bear us up on ea - gles' wings.  
Though sor - row tempt us to de - spair, We seek the sol - ace of Thy grace.

10  
We shall not fear; we shall not doubt Should storms of op - po - si - tion rage,  
For with Thy blood we have been bought. We know Thy love and bear Thy Name.  
Till tried and pro - ven we are brought To rest, no more from Thee to stray,

15  
But look to Thee in ev - 'ry thought, And, bright with hope, a - bide the day.  
We look to Thee in ev - 'ry thought, And in Thy peace a - bide the day.  
We look to Thee in ev - 'ry thought, And in Thine arms a - bide the day.
